Norfolk High School and Old Point College Teams Met Yesterday.

Two Twenty-five Minute Halves—
Score 0 to 0—Some Very Good
Playing—Story of the Game—An
Interesting Contest.

Norfolk's High School football team and the team of Old Point College met yesterday at Old Point campus. The game was called at 4 p. m. The toss was won by Captain Daughtry, who chose the northern goal.

Payne, of the Norfolk High School, kicked off to the 40-yard line. The ball was brought back fifteen yards. The college team made several bucks and runs, but finally failed to make the required number of yards and the ball went over to the High School. Johnson was given the ball and made a beautiful run on the left end for ten yards gain. Lankford then plunged through center for seven yards more. Johnson was given the ball and made ten yards around right end. The ball was then fumbled by the High School and the college men fell on it. Captain Daughtry fell back fifteen yards for a kick and sent the ball to about ten yards of it. The college failed to make the required number of yards and the ball went over to the High School. Johnson was given the ball and made two yards through tackle. Upon the next play Dodson, who had the ball, was pushed back of the goal line, which was a touch back, counting nothing. The ball was brought back to center field and kicked off by the college's quarter. Dodson fell on the ball, but Johnson took the ball from him and, by a beautiful run, made twenty yards with it. Johnson was given the ball and plunged through the right tackle for seven yards. Lankford counted off two more through left guard. Johnson was then given the ball and made a beautiful end run, carrying the ball to within about eight yards of the college's goal line. The ball was then lost on a fumble.

The reports for the year are remarkable. Some of the items are as follows: One hundred and thirteen new members have been received, the entire church debt of \$3,125 has been paid, \$201 has been raised in the Sunday school for missions, \$239 has been raised by the Woman's Missionary Society, \$266 by the Ladies' Enterprise Society, \$56 has been subscribed to the Twentieth Century Thank Offering Fund, a new Sunday school with a bright future, and an afternoon preaching appointment have been established; forty members were received in the revival, and six names turned over to other churches as candidates for membership.

ATLANTIC CITY WARD.

The revival at Central Avenue Baptist Church closed last night after its second successful week, the meetings being conducted by the Rev. L. R. Christie, assisted by the pastor, the Rev. Mr. Dudley.

Mr. C. H. Hostetter, the well-known saw-mill owner, died suddenly yesterday about 6 p. m., at his home in Atlantic City Ward. The cause of his death is not known, as he had been feeling usually well of late, but is supposed to have been heart disease. He and Mrs. Hostetter had arranged to attend the lecture at the Academy of Music last night, and he lay down to rest a little before they had supper. While lying down, possibly in slumber, he passed away. The remains will probably be sent to Pennsylvania for interment.

ELKS' CARNIVAL.

A BIG COMMITTEE APPOINTED TO HAVE CHARGE.

Last night an enthusiastic meeting of the Elks' Committee on Carnival, which was appointed at the last session of Norfolk Lodge, No. 38, B. P. O. E., was held. After a few preliminary addresses a permanent organization was effected as follows: F. C. Chienell, E. L. K., chairman; A. A. O'Neill, E. R., vice-president; W. H. Sargeant, Jr., E. L. K., secretary, and J. W. Martin, treasurer.

General lines of the varied features of the carnival were gone over, and it was decided to give a carnival of several weeks' duration and one that, in originality, will surpass anything of the kind ever given in this section.

It was decided, on account of the nature of the high class of talent to be sought and which must necessarily be engaged some time in advance, to open the carnival on Easter Monday.

No effort or expense will be spared by the committee or lodge in carrying this event through in a highly successful manner and, as the proceeds go to a most worthy object, it is confidently believed that this occasion will be one of such moment as not to arouse alone the interest of Norfolk lodge, but public generally.

In addition to the committeemen already mentioned the following gentlemen have been added making it one of the strongest committees that ever took charge of such an event in the State. The additional members of the committee are Messrs. H. C. Wall, W. H. Venable, R. D. Nichols, N. Metzger, Lloyd G. Black, D. J. McFarland, E. R. Joyner, E. H. Cunningham, J. A. Dalby, E. L. Guy, W. L. Baker, John J. O'Keefe, J. W. Belote, H. D. Oliver, John E. Burke and A. Aronheim.

THE KING'S DAUGHTERS.

INTERESTING ANNUAL MEETING—ELECTION OF OFFICERS.

The City Union of the King's Daughters met in the chapel of Epworth Church at 3:45 o'clock. The chairman read the 13th chapter of First Corinthians, and Mrs. Washington offered prayer.

The minutes of the November meeting of the Executive Board were read by the secretary. She reported details of the furnishing of the King's Daughters' house, for which many donations of work and materials were received. The house is now ready for use. On shower day, November 15th, a number of useful gifts were received—best of all a check for \$15.

A constitutional amendment was recommended and adopted, doing away with the nominating committee, and providing for nominations by a novel form of informal ballot. Blank forms are provided containing a plan for the name of a candidate for each office, and requiring the signature of the voter. From the blank the tellers make up a list of three nominees for each office and place them on the black-board. The officers are elected from the list. It seems to be the best plan of election in women's societies that has yet come to town. The average woman can readily log-roll for one candidate at a time, but it is difficult to manage four or five all at once.

The third annual report was presented while the tellers prepared their reports.

A second nurse, Miss Lillian Hutchinson, of Mt. Sinai Hospital, has been employed. The work has necessitated removal to a larger house, corner of Fenchurch and Charlotte streets, at which place donations will be welcome. The nurse, accidentally exposed to smallpox, lost three weeks in quarantine. By a fall from her wheel she lost three months and ten days. In spite of drawbacks she made 1,397 visits.

The treasurer reported that the monthly expenses of the house are \$86.50, the incidentals for six months. The nurse has made 1,397 visits to 15 men, 57 women and 22 children. She has cared for typhoid fever, malaria, nephritis, rheumatism, tuberculosis, malnutrition and obstetrics, 37 cases.

The union had at the beginning of the year a list of 23 old women to be visited. Fourteen are visited every week; eight whose residence cannot be found are on the reserve list.

One circle reported seven cottage prayer meetings and two services in the jail and distributed 150 pages of religious literature.

The delegate to the State Convention made her report. There are 1,074 King's Daughters in Virginia. They take 156 copies of the Silver Cross, and have raised \$10,000 in money during the past year.
